Raleigh, NC 27603-5925

Attention Representative Davis:

I'm writing concerning a decision that you are being tasked to make. I represent over 600,000 Citizens Committee for the Right to Keep and Bear Arms members across the country. You have a chance to be part of meaningful change for all who live in and visit North Carolina.

As you know, SB 50 was passed by the legislature and Governor Josh Stein vetoed the will of the people. Your support is needed to help make this legislation a reality. Don't disappoint your constituents and members of the Committee.

You have a chance to do the right thing. By continuing to support the need to have a permit in order to exercise a fundamental civil liberty, you are supporting Jim Crow era laws that keep people disarmed. There's nothing noble about requiring a permit to exercise a constitutional right and you have the ability to help change an unjust law.

The Committee urges you to vote to override Governor Stein's veto.

We expect that you'll uphold your oath of office by defending the Constitution — that is, by supporting the removal of infringements to the Second Amendment.

Cordially,

John Petrolino
Member of the Board of Directors
Citizens Committee for the Right to Keep and Bear Arms
